

WASHINGTON

November 2, 1962.

Dear Mr. McCone:

Thank you for the good wishes contained in your note of October 30. My visit to the Agency was indeed interesting and fruitful though I did regret not seeing you.

If your busy schedule permits, I suggest that you give serious consideration to an occasional visit to my new diplomatic post. A hearty welcome will await you.

Sincerely yours,

William C. Doherty

- C Dohaty

The Honorable

John A. McCone, Director,

> Central Intelligence Agency, Washington, D.C.
